

COVID-19 Policy

As the Coronavirus pandemic continues, we need to ensure the wellbeing of our staff, customers and suppliers remains paramount. As such, we will continue to monitor and follow Government advice daily.

Provisions are in place to allow Ubi-Tech (3R) Ltd to continue operating and supporting our customers.

Guidelines

In line with guidance from the UK Government relating to prevention of the spread of the virus, the following safety measures are in place:

1. We insist all visitors to our training centre thoroughly wash their hands when entering and exiting the building and social distancing guidelines are to be adhered to.
2. Staff have been advised on the importance of hygiene, particularly effective hand washing and social distancing guidelines.
3. Ensure staff self-isolate and report to their Line Manager should symptoms occur, or they have come in to contact with the virus.
4. Where appropriate, staff will work from home.
5. Course numbers are reduced to ensure social distancing can occur.

Ubi-Tech adhere to current information on Covid-19 guidelines from the following Government website: <https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19>
